Preparing and Submitting Images for Competition

1. Ensure Horizontal Images are 2160 pixels wide and Vertical Images are 2160 pixels tall. The resolution doesn't matter; it's the pixel dimensions that are important.
2. Make sure that your titles have 25 characters or less (including spaces but not including the "jpg" suffix).
3. To submit images, go to our Visual Pursuits website, log in, and select "Submit Images to a competition" from the "Competitions" menu. You can watch the video "How to Submit Images to a Competition" to assist you.
4. In each Monthly Competition, a Member may enter / submit a maximum combination of four images (Print and Digital), provided a minimum of 1 entry is a Print. Otherwise, a Member can enter a maximum of 3 Digital Images
5. For help with submitting images, contact any of the listed Mentors on the next page.
