Best Image of the Salon

2023

As I have done in the past, I have put together a special edition of our monthly newsletter. This special edition contains all of the winning images from the Salon of 2023.

All images presented are both digital and print. Many thanks to Dan Eberwein for putting together all of the images in a slide show accompanied by music and presenting the winning images so artistically.

Every year there are many beautiful images presented, and I am certain the judges had a most difficult time deciding who would get those awards. The slideshow of all of the images is also available on the club web site.

This is an all image edition with the list of the highest total point scores for novice and advanced individuals in all categories.

Congratulations to all of the winners.

I hope that you enjoy the issue.
