Best Image of the Salon

June 2018

As I have done in the past, I wanted to make sure that all WCC members were able to have a look at all of the images as presented at the recently held Salon night.

Of course, there were many beautiful and artistic images presented, all members hoping that they have the winner of those coveted awards and I am certain the judges had a most difficult time deciding who would get those awards. I have put together this special edition with all of those winning images so that everyone can have the opportunity to see and enjoy the wonderful work of our camera club members.

As before, this is an all image edition. No editorial, no promotions, nothing for sale. Just images and awards as presented.

I hope that you enjoy the view.
